Annual Great American Cleanup Program*

What is it? This spring, you can help us with our community litter cleanup, the Great American Cleanup. Millions of residents across the country are taking part in this springtime campaign to cleanup and beautify all of America. The Great American Cleanup is brought to you by Keep Islip Clean (KIC) in partnership with Keep America Beautiful, Inc., and national corporate sponsors.

Why should you do it? The Great American Cleanup is a fun, educational, outdoor springtime activity! Your group or family can organize a litter cleanup of their own. Upon registration you will be provided with trash bags, gloves and any other materials necessary for safe litter collection.
