

**VOLUNTEER AND JOIN GOOD PEOPLE  
DOING GREAT THINGS!**

***Sign Up For KIC Sponsored  
International Coastal Cleanup Events  
September 15-16, 2007***

**What is it?** The objective of this global effort is to remove and catalog litter and debris from beaches, coastlines and waterways to determine **WHAT** is being found **WHERE**, so that solutions to the problems of water pollution can be devised.

**Why should you do it?** The International Coastal Cleanup is a fun, educational, outdoor fall activity! Your group or family can organize a litter cleanup of their own. Upon registration you will be provided with trash bags, gloves and safety equipment from KIC as well as data collection materials and instructions from the American Littoral Society and Ocean Conservancy.

Yes, we want to take part in the activities checked below for the International Coastal Cleanup:
